## Welcome to Belle Vue Holiday Home.

Welcome to our self catering holiday home on the Isle of Wight in beautiful Ventnor. Completely refurbished in 2008, our beautiful Victorian semi-detached holiday home with fantastic panoramic sea views, is suitable for wheelchair users and or assisted persons with disabilities. Can sleep up to 8 people. As we only bought this property in March 2008, much of our time has been spent on the renovation works, but our next aim is to apply to the English Tourist Board for a grading and also for a mobility grading. All the ground floor area is wheelchair accessible.

Our home is created with wheelchair users specifically in mind. We have first hand experience of the difficulties involved with finding suitable accommodation for all your family when one of you has a disability of some kind. We have found it particularly difficult to find a holiday home which has a ceiling hoist which our family requires. Like our family we hope that all our guests will be able to enjoy a quiet, relaxed home from home holiday to which they will want to return year after year.
