Web: [www.hiexpress.co.uk/londoncityex](http://www.hiexpress.co.uk/londoncityex)

The hotel is ideally located on the doorstep of the City of London, with the financial districts of Broadgate, Moorgate, Finsbury Square, Liverpool Street and Bishopsgate just minutes away for our business guests.

We sit on the gateway to Hoxton, Shoreditch and Brick Lane, whatever your reason for visiting London we are an ideal base for exploring this vibrant area of the capital city. We are also ideally located for tourist attractions such as Tower of London, Tower Bridge, Bank of England, Tate Modern, St Paul's Cathedral and London South Bank to name but few.

The hotel is two minutes walk from Old Street tube station (northern line service), with Liverpool Street and St Pancras International only 10 minutes away. Local bus routes which are accessible for wheelchair users are 55, 135 and 243.

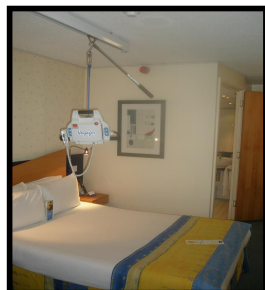

The hotel team is aware that each of their guests will have different needs, and they are confident in welcoming guests with disabilities to the hotel.

Our meeting room facilities are also fully accessible with tables to accommodate wheelchair users, a range of chairs with arms and without arms, and a portable induction loop for those with hearing impairments. Ramps for staging can be arranged upon request.

## ACCOMMODATION – PURPOSE BUILT

The hotel, which offers 224 purpose built bedrooms, including 5 accessible double rooms and 1 accessible twin room, has its entrance on Old Street. There is a Blue Badge car parking space at the rear of the hotel, with both entrance doors to the hotel offering full accessibility to wheelchair users.

The accessible rooms are very spacious, allowing a wheelchair turning circle at the side of the bed and within the bathroom.

**\*\*Ceiling track hoist facilities are available in one accessible guest room\*\*.** It is important to note that the ceiling track in the bedroom is separate from that in the bathroom and the hoist unit unhooks to be carried through. Disposable slings are available from the hotel but it is advisable for guests to bring their sling with them.

Door locks are activated by a key card and door closers have a delayed action.

Fire alarms are fitted with a strobe light so a visual warning is present for those with hearing impairments. Vibrating pagers can also be provided if required.
